

Funding for the Future!

MARK A. BREWER, SR.
President

QUALIFICATIONS SUMMARY

Mr. Brewer is directly available to clients from preliminary planning through project audit. He has extensive "hands-on" experience with federal and state grant and loan planning, application and administration. His expertise includes the preparation of environmental documents, financial analyses and compliance with agency requirements. Mark has assisted with the administration and successful close-out of projects of various sizes and complexities with several involving multiple contracts and phases. He has been involved with all clients since 1993. His projects include SRF water, wastewater and stormwater low-interest loans, CDBG and EPA Grants, EDA Grants, Florida Water Advisory Panel Grants, Water Management District Funds, as well as FRDAP Grants and LWCF Grants. He has significant experience with federal and state funding agency regulations and requirements, such as Davis-Bacon and MBE/WBE. Mark has 18 years of experience in advanced computer technology and "hands-on" accounting and management skills.
